What is Children's University and Kids' College?

Warwickshire Children's University provides children aged 7-13 years (Key Stages 2-3) with the opportunity to extend learning beyond school by completing a diverse range of activities. For children aged 5-7 (Key Stage 1) there is Kids' College that offers similar opportunities.

Modules run by this organisation

This partner is registered with Children's University and Kids' College and offers a range of activities during the school holidays which will allow children to complete modules. 8 hours worth of activities completes a CU module and 6 hours a Kids' College module.

A list of activities can be obtained from the partner whose contact details are on the front of this record card.

Each time you attend one of these holiday activities, simply ask the leader in charge of the session to sign this record card. Your card must be completed on the day of the course so please don't forget to take your card with you to the session.

What do I do once I have completed a Children's University or Kids' College module?

Simply send your completed record card to the Partner address on the front of this card to receive your certificate.

What do I get for undertaking Children's University or Kids' College?

Each time you complete a module you will receive a certificate.
